

## MARRIAGE CONFERENCE 2018

### DECISIONS TO PRE-MAKE & LIVE BY:

---

1. We will be married for life; divorce is not an option.
2. We will not go to bed angry.
3. We will never agree to disagree. (that is strife and division)
4. We will celebrate each other... not reject or tolerate.
5. We will give each other a right to complain and not punish each other for it.
6. We will be faithful to each other sexually and in relationships.
7. We will be accountable to our local church.
8. We will not make individual decisions.
9. We will prioritize our marriage above all things.
10. Our marriage is a covenant.
